

Zai Lab to Present New Oncology Research at 2022 Society for Immunotherapy of Cancer Annual Meeting

November 8, 2022

Poster presentations will highlight Zai's key internal pipeline programs, ZL-1211 (anti-CLDN18.2 antibody) for gastric cancer and ZL-1218 (anti-CCR8 antibody) for solid tumors

SHANGHAI and CAMBRIDGE, Mass., Nov. 08, 2022 (GLOBE NEWSWIRE) -- Zai Lab Limited (NASDAQ: ZLAB; HKEX: 9688), a patient-focused, innovative, commercial-stage, global biopharmaceutical company, will present new data from its internal immuno-oncology pipeline at the upcoming Society for Immunotherapy of Cancer (SITC) Annual Meeting on November 8-12, 2022 in Boston, Mass. These presentations will focus on two key global discovery programs: ZL-1211, an anti-CLDN18.2 antibody and ZL-1218, an anti-CCR8 antibody.

"These presentations from two of our internal oncology assets demonstrate our continued progress in advancing our global R&D pipeline," said Dr. Peter Huang, Chief Scientific Officer, Zai Lab. "Our experienced team of scientists remain committed to accelerating research in order to develop and deliver best-in-class and first-in-class medicines to more people around the world."

Details about the poster presentations are as follows:

Abstract ID: 1399

Zai Lab Forward-Looking Statements

This press release contains forward-looking statements relating to our strategy and plans; potential of and expectations for our business and pipeline programs; capital allocation and investment strategy; clinical development programs; clinical trial data, data readouts, and presentations; risks and uncertainties associated with drug development and commercialization; regulatory discussions, submissions, filings, and approvals and the timing thereof; the potential benefits, safety, and efficacy of our collaboration partners' products and of our pipeline therapies; the anticipated benefits and potential of investments, collaborations, and business development activities; our future financial and operating results; financial guidance, including our projections for the number of marketed products we will have in the future; our revenue projections for our current lung cancer and GI cancer franchises; key data readouts and regulatory filings across our entire portfolio; and our plans to initiate or continue existing clinical trials for our other products and product candidates. All statements, other than statements of historical fact, included in this press release are forward-looking statements, and can be identified by words such as "aim," "anticipate," "believe," "could," "estimate," "expect," "forecast," "goal," "intend," "may," "plan," "possible," "potential," "will," "would," and other similar expressions. Such statements constitute forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are not guarantees or assurances of future performance. Forward-looking statements are based on our expectations and assumptions as of the date of this press release and are subject to inherent uncertainties, risks, and changes in circumstances that may differ materially from those contemplated by the forward-looking statements. We may not actually achieve the plans, carry out the intentions, or meet the expectations or projections disclosed in our forward-looking statements, and you should not place undue reliance on these forward-looking statements. Actual results may differ materially from those indicated by forward-looking statements as a result of various important factors, including but not limited to (1) our ability to successfully commercialize and generate revenue from our approved products, (2) our ability to obtain funding for our operations and business initiatives, (3) the results of our clinical and pre-clinical development of our product candidates, (4) the content and timing of decisions made by the relevant regulatory authorities regarding regulatory approvals of our product candidates, (5) the effects of the novel coronavirus (COVID-19) pandemic, including any government actions or lockdown measures taken in response, on our business and general economic, regulatory, and political conditions, (6) risks related to doing business in China, and (7) other factors identified in our most recent annual and quarterly reports and in other reports we have filed with the U.S. Securities and Exchange Commission. We anticipate that subsequent events and developments will cause our expectations and assumptions to change, and we undertake no obligation to

update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise, except as may be required by law. These forward-looking statements should not be relied upon as representing our views as of any date subsequent to the date of this press release.
