ARTICLE 12 INDEMNIFICATION

12.1 By Zai. claims relating to the Licensed Product, by Zai or any of its Affiliates or Sublicensees, (b) the [***] of Zai or its Affiliates or sublicensees, or (c) Zai's breach of any of its representations or warranties made in or pursuant to this Agreement or any covenants or obligations set forth in or entered into pursuant to this Agreement, in each case of clauses (a) through (c) above, except to the extent such Losses or Claims arise out of an NVCR Indemnitee's negligence or willful misconduct, breach of this Agreement, or material failure to abide by any Applicable Laws.

12.2 By NVCR. NVCR shall indemnify and hold harmless Zai, its Affiliates, and their directors, officers, employees and agents (individually and collectively, the "**Zai Indemnitee(s)**") from and against all Losses incurred in connection with Claims against such Zai Indemnitee to the extent arising from (a) the Development, manufacture or Commercialization of the Licensed Products by or on behalf of NVCR or any of its Affiliates or sublicensees (not including Zai or its Affiliates or sublicensees), including product liability claims, in each case outside of the Territory, (b) the [***] of NVCR or its Affiliates hereunder, or (c) NVCR's breach of any of its representations or warranties made in or pursuant to this Agreement or any covenants or obligations set forth in or entered into pursuant to this Agreement, in each case of clauses (a) through (c) above, except to the extent such Losses or Claims arise out of any of a Zai Indemnitee's negligence or willful misconduct, breach of this Agreement or material failure to abide by any Applicable Laws.

12.3 Indemnification Procedure. If either Party is seeking indemnification under Section 12.1 or 12.2, it shall inform the other Party (the "**Indemnifying Party**") of the claim giving rise to the obligation to indemnify pursuant to such Section(s) within [***] Business Days after receiving written notice of the claim (it being understood and agreed, however, that the failure or delay by an Indemnified Party to give such notice of a claim shall not affect the indemnification provided hereunder except to the extent the Indemnifying Party shall have been actually and materially prejudiced as a result of such failure or delay to give notice). The Indemnifying Party shall have the right to assume the defense of any such claim for which it is obligated to indemnify the Indemnified Party. The Indemnified Party shall cooperate with the Indemnifying Party and the Indemnifying Party's insurer as the Indemnifying Party may reasonably request, and at the Indemnifying Party's cost and expense. The Indemnified Party shall have the right to participate, at its own expense and with counsel of its choice, in the defense of any claim that has been assumed by the Indemnifying Party. Neither Party shall have the obligation to indemnify the other Party in connection with any settlement made without the Indemnifying Party's written consent, which consent shall not be unreasonably withheld, conditioned or delayed. If the Parties cannot agree as to the application of Section 12.1 or 12.2 as to any claim, pending resolution of the dispute pursuant to Article 15, the Parties may conduct separate defenses of such claims, with each Party retaining the right to claim indemnification from the other Party in accordance with Section 12.1 or 12.2 upon resolution of the underlying claim.

12.4 Limitation of Liability. NEITHER PARTY SHALL BE LIABLE TO THE OTHER FOR ANY SPECIAL, CONSEQUENTIAL, INCIDENTAL, PUNITIVE, OR INDIRECT DAMAGES ARISING FROM OR RELATING TO ANY BREACH OF THIS AGREEMENT, REGARDLESS OF ANY NOTICE OF THE POSSIBILITY OF SUCH

12.5 Insurance. Zai shall procure and maintain insurance during the Term and continue to purchase and maintain for a period of five (5) years thereafter, including product liability insurance (and to the extent not included in such product liability insurance, Clinical Trials insurance), adequate to cover its obligations hereunder and which is consistent with normal business practices of prudent companies similarly situated at all times during which any Licensed Product is being clinically tested in human subjects or commercially distributed or sold in the Territory. Without limiting the foregoing, such insurance coverage shall include additional insured status for NVCR and be, for product liability, [***] per occurrence and to the extent not included in such product liability insurance, for Clinical Trials, a minimum of [***] per loss occurrence, and in no event less than [***] in the aggregate. Such insurance shall not be construed to create a limit of Party's liability with respect to its indemnification obligations under Section 12.1. Zai shall provide NVCR with evidence of such insurance, and copy(ies) of the additional insured endorsement, upon request and shall provide NVCR with written notice at least [***] days prior to the cancellation, non-renewal or material changes in such insurance. ARTICLE 13 **INTELLECTUAL PROPERTY**

13.1 Inventions.

(a) Ownership. Zai agrees and acknowledges that it is unlikely that Zai would create or own any new intellectual property as a result of Zai's Development or Commercialization activities in the Territory. If any intellectual property is generated by or on behalf of Zai as a result of Zai's Development or Commercialization activities in the Territory (the "**New IP**"), Zai agrees and hereby assigns all such New IP to NVCR and such New IP shall be solely owned by NVCR and shall be included in the NVCR IP and licensed to Zai in the Field in the Territory under Section 2.1.

(b) Disclosure. Zai shall promptly disclose to NVCR all Inventions within the New IP, including all invention disclosures or other similar documents submitted to Zai by its or its Affiliates' employees, agents, or independent contractors relating thereto, and shall also promptly respond to reasonable requests from NVCR for additional information relating thereto.

(c) Assignment of New IP. Zai shall and hereby does assign to NVCR all right, title and interest in and to all New IP. Zai shall take (and cause its Affiliates, sublicensees and their employees, agents, and contractors to take) such further actions reasonably requested by NVCR to evidence such assignment and to assist NVCR in obtaining

Zai shall obligate its Affiliates, sublicensees and contractors to assign all New IP to Zai (or directly to NVCR) so that Zai can comply with its obligations under this Section 13.1, and Zai shall promptly obtain such assignment.

13.2 Patent Prosecution.

(a) NVCR Patents.

(i) As between the Parties, NVCR shall have the right to control the Patent Prosecution of all NVCR Patents at NVCR's expense.

(ii) NVCR shall consult with Zai and keep Zai reasonably informed of the Patent Prosecution of the NVCR Patents in the Territory and shall provide Zai with all material correspondence received from any patent authority in the Territory in connection therewith. In addition, NVCR shall provide Zai with drafts of all proposed material filings and correspondence to any patent authority in the Territory in connection with the Patent Prosecution of the NVCR Patents for Zai's review and comment prior to the submission of such proposed filings and correspondence. Further, NVCR shall notify Zai of any decision to cease Patent Prosecution or maintenance of any NVCR Patents in the Territory. NVCR will consider Zai's comments on Patent Prosecution but will have final decision-making authority under this Section 13.2(a)(ii).

(b) **Cooperation.** Each Party shall provide the other Party all reasonable assistance and cooperation in the Patent Prosecution efforts under this Section 13.2, including providing any necessary powers of attorney and executing any other required documents or instruments for such prosecution.

13.3 Patent Enforcement.

(a) **Notice.** Each Party shall notify the other within [***] Business Days of becoming aware of any alleged or threatened infringement by a Third Party of any of the NVCR Patents in the Territory, and any related declaratory judgment or equivalent action alleging the invalidity, unenforceability or non-infringement of any NVCR Patents (collectively "**Product Infringement**").

(b) **Enforcement Rights.** NVCR shall have the first right to bring and control any legal action to enforce NVCR Patents against any Product Infringement in the Territory at its own expense as it reasonably determines appropriate, and NVCR shall consider in good faith the interests of Zai in such enforcement of the NVCR Patents. If NVCR or its designee fails to abate such Product Infringement in the Territory or to file an action to abate such Product Infringement in the Territory within [***] days after a written request from Zai to do so, or if NVCR discontinues the prosecution of any such action after filing without abating such infringement, then Zai shall have the right to enforce the NVCR Patents against such Product Infringement in the Territory at its own expense as it reasonably determines appropriate; provided that Zai shall not enter into any settlement admitting the

(c) **Cooperation.** At the request of the Party bringing an action related to Product Infringement, the other Party shall provide reasonable assistance in connection therewith, including by executing reasonably appropriate documents, cooperating in discovery and joining as a party to the action if required by Applicable Law to pursue such action, at each such Party's sole cost and expense.

13.4 Infringement of Third Party Rights.

(a) **Notice.** If any Licensed Product used or sold by Zai, its Affiliates or sublicensees becomes the subject of a Third Party's claim or assertion of infringement of a Patent or other intellectual property rights in the Territory that are owned or controlled by such Third Party, Zai shall promptly notify NVCR within [***] days after receipt of such claim or assertion and such notice shall include a copy of any summons or complaint (or the equivalent thereof) received regarding the foregoing along with an English summary of such summons or complaint. Thereafter, the Parties shall promptly meet to consider the claim or assertion and the appropriate course of action and may, if appropriate, agree on and enter into a "common interest agreement" wherein the Parties agree to their shared, mutual interest in the outcome of such potential dispute. The Parties shall assert and not waive the joint defense privilege with respect to any communications between the Parties in connection with the defense of such claim or assertion.

(b) **Defense.** In the event that a claim is brought against either Party alleging the infringement, violation or misappropriation of any Third Party intellectual property right based on the manufacture, use, sale or importation of the Licensed Products in the Field and in the Territory, the Parties shall promptly meet to discuss the defense of such claim, and the Parties shall, as appropriate, enter into a joint defense agreement with respect to the common interest privilege protecting communications regarding such claim in a form reasonably acceptable to the Parties.

13.5 Product Trademarks. Subject to Section 8.4, the Parties agree to use the Optune Trademarks for marketing Licensed Products in the Territory and shall cooperate in good faith and jointly select other trademarks, logos, and trade names that conform with NVCR's global branding strategies for marketing Licensed Products in the Territory (together with the Optune Trademarks, the "**Product Marks**"). Zai shall not use any other trademarks or house marks of NVCR (including NVCR's corporate name) or any trademark confusingly similar thereto without NVCR's prior written consent. NVCR shall own all rights in the Product Marks in the Territory and shall register and maintain the Product Marks in the Territory that it determines reasonably necessary, at NVCR's cost and expense; provided that NVCR shall grant Zai a royalty free exclusive license to use such Product Marks in connection with the sale, offer for sale and other Commercialization activities of the Licensed Products in the Territory during the Term, with the right to sublicense following the provisions of Section 2.2. All goodwill and reputation generated by Zai's use of the Product Marks shall inure to the exclusive benefit of NVCR. Zai shall not by any act or omission use

Zai shall not take any action that would interfere with or prejudice NVCR's ownership or registration of the Product Marks, the validity of the Product Marks. Zai further agrees to use the Product Marks in accordance with such brand usage guidelines and quality standards as may be reasonably established by NVCR and communicated to Zai from time to time in writing, or as may be agreed to by the Parties from time to time in writing. Zai shall submit to NVCR for approval, prior to their use, all product labels, product brochures, advertisements, and other materials and material changes thereto upon which Zai uses the Product Marks; provided that, (a) NVCR will approve or disapprove any such materials within [***] Business Days of Zai's submission; provided that if NVCR fails to respond within such period of time, such materials will be deemed approved if they are consistent with NVCR's brand usage guidelines; further provided NVCR shall use good faith to approve or disapprove such materials within a period of time specified by Zai if Zai requests NVCR to provide an expedited approval for certain materials, and (b) following NVCR's approval in accordance with sub-clause (a), Zai will be free to use such materials without the necessity to obtain NVCR's approval for any subsequent use as long as such materials are not substantially different from the materials approved by NVCR.

ARTICLE 14 TERMS AND TERMINATION

14.1 Term. 15.2 Negotiation; Escalation. The Parties shall negotiate in good faith and use reasonable efforts to settle any Dispute under this Agreement. Any Dispute as to the breach, enforcement, interpretation or validity of this Agreement shall be referred to the Executive Officers for attempted resolution. In the event the Executive Officers are unable to resolve such Dispute within [***] days of such Dispute being referred to them, then, upon the written request of either Party to the other Party, the Dispute shall be subject to arbitration in accordance with Section 15.3.

15.3 Arbitration.

(a) In the event of a Dispute that cannot be resolved between the Parties or the Executive Officers as set forth in Section 15.2, either Party shall be free to institute binding arbitration with respect to such Dispute in accordance with this Section 15.3 upon written notice to the other Party (an "**Arbitration Notice**") and seek remedies as may be available. Any Dispute unresolved under this Section 15.3 shall be settled by binding arbitration administered by International Chamber of Commerce (or any successor entity thereto) and in accordance with its arbitration rules and procedures then in effect, as modified in this Section 15.3 (the "**Rules**"), except to the extent such rules are inconsistent with this Section 15.3, in which case this Section 15.3 shall control. Each Party shall promptly select one Arbitrator each, which selections shall in no event be made later than [***] days after receipt of the Arbitration Notice. The third Arbitrator shall be chosen promptly by mutual agreement of the Arbitrators chosen by the Parties, but in no event later than [***] days after the date that the last of such Arbitrators was appointed.

(c) Each Party shall bear its own costs and expenses (including legal fees and expenses) relating to the arbitration proceeding, except that the fees of the Arbitrators and other related costs of the arbitration shall be shared equally by the Parties, unless the Arbitrators determine that a Party has incurred unreasonable expenses due to vexatious or bad faith positions taken by the other Party, in which event the Arbitrators may make an award of all or any portion of such expenses (including legal fees and expenses) so incurred.

(d) The Arbitrators shall be required to render the decision in writing and to comply with, and the award shall be limited by, any express provisions of this Agreement relating to damages or the limitation thereof. However, this time limit may be extended by agreement of the Parties or by the Arbitrators. (g) All arbitration proceedings and decisions of the Arbitrators under this Section 15.3 shall be deemed Confidential Information of both Parties under Article 10. The arbitration proceedings shall take place in New York, New York, in the English language.

(h) Notwithstanding the foregoing, any dispute, controversy or claim relating to the scope, validity, enforceability or infringement of any patent rights or trademark rights shall be submitted to a court of competent jurisdiction in the country in which such patent rights or trademark rights were granted or arose.
